**Industry Training Services  
Provides Customized Training**

Managers and supervisors are facing the challenges of their professional lives. They are grappling with an array of issues and influences that place increasing demands on their time and talents. Improving business performance through the development of employees' skills and knowledge is a must in any organization.

PCC offers solutions with modules from 2 dynamic companies, AchieveGlobal and Development Dimensions International (DDI). Over half of the Fortune 500 companies have used these programs as the major tools in developing interpersonal skills. PCC is licensed to deliver training in a variety of programs with facilitators certified and approved by AchieveGlobal and DDI.

**Other areas of training...to name a few:**

- ◆ International & Quality Standards-ISO/QS
- ◆ Statistical Process Control
- ◆ Basic Hydraulics/Pneumatics
- ◆ Programmable Logic Controls
- ◆ Hand Soldering
- ◆ Blueprint Reading
- ◆ Safety and Health
- ◆ Computer Skills, Software & Applications
- ◆ WorkKeys & KeyTrain
- ◆ Manufacturing Certification Program
- ◆ BioWork Process Technician
- ◆ Truck Driver Training
